

Please keep the following in mind as you consider compiling/submitting an application in response to RFA0294:

- This status will be updated frequently, but on an irregular basis - please be sure to check back often.
- All unawarded regional allocations (i.e., the balance, if any, of the \$4.5 million allocated to each region) shall become available ***sometime after 3/31/2024*** for statewide consideration of any award-eligible application that remains unawarded in its region of origin. Please refer to "Available Funds" on page 4 of RFA0294. Any such award-eligible applications shall then be awarded on a first-deemed award-eligible basis regardless of its regional origin. All such award-eligible applications shall be awarded in that order until all such available monies have been awarded. Upon those award determinations, ***RFA0294 will come to a close shortly thereafter.***
